Basic Mediation Training consists of 40 hours of theory and practice of mediation in the transformative framework plus observation of two mediation sessions and co-mediation of two sessions, at the conclusion of which a Certificate will be issued.

This training costs our CMC's \$375.00 per student based on a class of 20. We ask you to pay \$75.00 of this amount in order to cover the Training Manual, Mediator's Handbook, a copy of Promise of Mediation, and food [snacks and all meals]. If this cost creates a hardship, please speak to us about a scholarship.

The training itself is offered to you at no cost in the expectation that you will honor a commitment to volunteer for a minimum of 10 hours per calendar quarter in each of the following two years.

You are invited to make a donation that reflects your appreciation of the training and the limitations of your budget.¹

¹ The cost for a comparable 40-hour basic mediation training would be over \$1,200 at an academic institution or for-profit business. Calvert and St. Mary's CMC's are 501(c)(3) non-profit public charities.
